The German desk provides assistance and consultancy in the Firm's practice areas (Extraordinary Corporate Transactions, Company law, Finance and Banking law, Employment law, Commercial law, Industrial law, Real Estate law, Project and Infrastructure Financing, Energy law, Bankruptcy law and insolvency, Tax law and Litigation and Arbitrations) to firms from German-speaking countries who intend to establish commercial contacts with Italy and invest in Italy, and to Italian firms oriented towards German-speaking countries, in particular Germany. The German desk is composed of professionals who are mother-tongue German and Italian, qualified to operate in the German and Italian jurisdictions and to offer advice and assistance in German, Italian and English. In close cooperation and collaboration with fiscal consultants and labour consultants, the German Desk is able to offer the foreign client not only assistance and advice in the Firm's practice areas, but also services of administrative outsourcing and payroll.

## GERMAN DESK

## SPANISH DESK

The Spanish Desk was created to ensure assistance to Italian firms with projects and interests in Spain and Latin America, and Spanish and Latin American firms with activities in Italy. It boasts a team of professionals from various areas of the law, with a wide experience in these geographical areas and qualified to practice in both Spain and Italy. The team offers a quality service in Italian and Spanish, providing their clients not only with a thorough knowledge of the languages and the law, but also a solid experience of the transcultural aspects involved. In addition to supporting its clients both in court and out of court, the Spanish Desk accompanies them in their consolidation and development within the Italian market: from the setting up of subsidiaries, branch offices or joint ventures in Italy, or drawing up distribution, franchising and agency agreements, to corporate restructuring, mergers and acquisitions with the related financial consulting both from a legal and tax standpoint.
